Ms. McClurkin -

Thank you! Now that I know the work has been done, feel free not to rush with the final sign-offs. Receiving the full results within two weeks will be fine with me.

For the future,

Good Morning Ms. Barlow,

I'm currently in possession of the responsive records for your request, but it requires a review and signature prior to sending to you. Some information will need to be sent to the Solicitor's Office for review prior to sending to you, but there are some documents that have been deemed clearly releasable. I hope to have a partial response to you soon. Thanks for your continued patience.

RE: FWS-2018-00613 FOIA of 27 March 2018

On 6 April 2018, I received an email from Tiffany McClurkin, FOIA coordinator for USFWS, confirming receipt of my FOIA request on March 29, and ruling that it was "Complex", thus having 60 days max for workdays prior to providing me with a response.

I calculate that 60 workdays expired on June 22, if calculated from your date of receipt (March 29), or on June 29, if calculated from the April 6 date when the email was sent to me confirming the FOIA would be handled. I am eager to see the results. Please let me know when I can expect to receive the information.

Thank you.
